Single Action Shootists Hawaii

## Shooting Sports Shindig a Success!

### Friends, Families and Firearms Fanatics' Free-For-All

We had a great turnout for this year's Shooting Sports Fair - lots of newcomers to the sport found out just how great cowboy shootin' can be!

Our very own Jeff "El Muerte" Wang brought out his heavy stuff - a 50 cal. black powder gatling gun! Territorial Governor, Ron "Clell" Miller brought a bunch out - from a .22 cal pump action rifle (that's a fun one to shoot) to the black powder 45-70, a.k.a. "the hand cannon"! Clell owns about half of the guns that were used at the fair!

We had a good turn out for the mini match - where guests can shoot "on the clock", and get a quick and dirty version of what we do during our monthly matches. Congratulations to Ray Brown, Erica Pepper and Robert Pepper for taking tops in the keiki, women and mens categories!! See the results for all of those that participated on the back of this page. We hope to see ya'll come back and shoot with us again!

Thanks to all of our members who came out and helped with set-up, break-down and educating the guest shooters about our passion - single action shooting! The SAS Board members appreciate all of the help to make our shooting booth a success!

Top Keiki Mini-Match winner, Ray Brown shoots the .22 revolver like a pro, as his mom, Laura watches him mow down the targets!
