Single Action Shootists Hawaii

Holy Cow - Half Kocked Has Done It!

The planets were alligned just right for Half Kocked to take the lead over El Muerte.

'Course Half Kocked DID use Muerte's .32's to shoot this match... and beat him with his own guys by about 3.5 seconds! This is also the first time (to my recollection) that 2 women have been in the overall Top 10 - myself and Lydia "Fast Addie" Belshe! (You GO cowgirl!)

Well, the rest of the January gang shot in style on a pretty sunny and hot Hawaiian winter day...(is there such a thing as winter in Hawaii?) Well, our friend and member Jim "Sourdough Jim" Wroble can attest to the beautiful Hawaiian winter (he hails from Illionois - where they've experienced a little bit o' snow). He came down to shoot with us this month and defrost for a bit - glad to see ya again Jim!

We also picked up a new members this month - Michelle O'Malley (wife of Joe "King Street Cavalier") joined the ranks! Welcome to the club!! Now we need to get you an alias...

We also had a few guests joining us to kick off the new year - Mike Saiz, Mark Boyer and John Rauch ("Rob Trains" - who used to be a SASH member back in the day). Hope ya'll had a good time, and can come back and join us soon!

The SASH Posse welcoming the new year...
