Single Action Shootists Hawaii

Summer Showdown Summary

Hey Gang - I've been slackin' this summer, and missed July's edition...so here's a wrap up:

The club's finally got a bunch of new targets in this summer, and we broke them in at our July shoot! We also tried out a 1-on-1 competition after our match. We had about a dozen guys participate in this friendly competition. We hope to have a few more of these set-up in the upcoming months. Cost is \$5 to shoot, and the winner gets the next month's match fees waived. Our inaugural side-match winner in July was Eric "Wiwaoka Pake" Ako, who barely beat out our guest shooter Todd "Black Magic" Cook, who hails from Diamond Lake, Illinois! Although Todd finished the fastest, he had a miss, which goes to show - even if you grab the wrong pistol (the one that's not loaded), like Pake did, you still can take recover, just don't miss any targets... 'cause you just never know!

Thanks to John "Blackjack Derringer" for working so hard as match director to design our stage shoots and getting our new targets in!

We're also picking up new members along the way - "Cutter Scott" Hawver, Michael Hansen, as well as the rest of the Boyce family - Joanna, Dacia "Blon-D" and Hannah "Squirt Gun" have joined the ranks this summer. Welcome to the posse gang!

Black Powder Shooter Bob "Bloody Bill" Hogue takes aim with his trusty pistol as SASH EI Presidente, Phil "Branded Buck" Rapoza RO's the stage.

GUNSHOW AT THE BLAISDELL SEPT 3 - 4 2005

We're setting up the usual display in the Hawaii Suite during Labor Day Weekend (Sept. 3-4). We also have a couple vendor tables available for members who want to sell items. The deal is - you'll have to split the cost of the tables w/ the other sellers from the club, and also man that table during show hours. Please see Branded Buck for more information, or give him a buzz on his pager at: 361-5655.
