Single Action Shootists Hawaii

Branded Buck Beats the Best!

**There was a shake-UP
going DOWN
at the ol' shootin' range...
Seems 2005's a year for change!**

Branded Buck apparently found his front sight and blew past the rowdy posse to place first! Congratulations Buck - it's been a loong time comin'!

We had a good turn out of 31 shooters in February - purty good start for our new year! A few new faces turned out to hitch up with our posse: Mark Boyce (brought in by El Muerte) signed up along with Daniel "Lonestar" Anderson! Welcome to the crew guys - glad to have you join. Kevin Otaguro also came to check out the single-action action as a guest...we hope to have you back again soon! We also welcomed back some long-lost shooters - "Rowdy Rick" Wheeler and Greg "Sarsparilla" Flick...glad you two found yer way back to the range!

Our Match Director had a field day with the targets, props and the always-dreaded pistol reloads on stage 3! Thanks to Blackjack Derringer for always making sure we're on our toes and using our noggins first thing Sunday morning... Now how many of you had to cycle through your pistol cylinder because you mis-counted the number of clicks after loading up the 6th round???

"It was WHAT!?"... Branded Buck (left), Sarsparilla (center) and Mark B. discuss how close Buck was to hitting the target...

semi Annual Gun Show

Our display was smokin'!! Some spectacular pieces were unveiled for the show - from Paul "Kid Limerick" MacKeeby's collection of Colt Sheriff's models, Ron "Clell" Miller's multitude of Black Powder & cap n' ball irons, to Chris "Bronco Billy Anderson" Marten's Civil War surgical/amputation kit and Jeff "El Muerte" Wang's 50 cal. Gatling gun...

As usual, we put together a stage full of great irons from little .22 derringers to trapdoor rifles to pump-action shotguns...we had something for everyone to check out! Thanks again to club members who came out to support our efforts in doing these shows!
