Wiwaoka Pake Pushes Past the Pack

**Finally - the moment had come,
it was Eric "Wiwaoka Pake"
Ako's time to shine!**

Even with the unbelievable rain that drenched the isles that morning, we mustered up a good sized posse of 28 shooters! Alas the cowboy gods were looking down on us, and parted the clouds for a sunny (and a bit muggy) Sunday!!

Wiwaoka Pake was apparently in the cowboy gods' good graces, as he blew past everyone and 2nd place by more than 10 seconds, placing first for the first time this year! Congratulations!

We also inducted a few new members this month - "Dusty Fred" Bannan came back and signed on the dotted line...he looked the part last month, and has now made it official! We also have a new cowboy, George Higashionna (no alias yet). He braved the weather and came out to shoot with us on a fine day! Side note to George: hope you pick out an alias right-quick. The posse has been known to "bestow" names for some of our members...which could be a good thing or...well, you get the idea!

We also had a couple of guest shooters come out - Dave Woodruff and John Barnette. It was nice meeting you gentlemen - hope y'all will come out and visit with us again soon!

Happy Holidays everyone - stay safe!

New member George Higashionna takes aim with his pistol between the cacti while Phil "Branded Buck" Rapoza (left) RO's the stage.
