Blastin' in another New Year!

FINAL SCORES ARE IN!

"Wild Wes" takes First in 2006!

Congratulations to "Wild Wes" Grant who's persistence has paid off! He's been clawing (and gnawing) his way to the top over the past few years and has finally become SASH's Top Gun! Well Wes, we really are happy for you, but just a lil' warning...EVERYONE ELSE will be gunnin' for you in 2007!

2006 was a sparse shootin' year for SASH - with only 8 official matches for the year. We were rained out in February and March (do you remember the 40 days and nights of rain?), and we missed our shoot in July due to the Shooting Sports Fair scheduled on our weekend.

Well, Phil "Branded Buck" Rapoza, has, as one of his last duties as 2006 club president, made arrangements with Mike Muramoto (range master at Koko Head Shooting Complex) to get an earlier date in June for us to shoot our match. That way we don't have to miss it due to the Shooting Sports Fair (scheduled for the end of June).

We've had a few members part ways this year, and we've also posse'd up a few new ones as well. SASH is still going strong, with a total of 57 members in 2006. Remember, if you have some family or friends that may be interested in our sport, bring 'em along for one of our matches and introduce them around!

"Wild Wes" Grant (left) shows off his good side to Jeff "El Muerte de Dolor" Wang at SASH's last match of the year...ya just HAD to rub it in huh Wes?

Weather permitting, we'll have a nice full shooting schedule in 2007, and we hope to see a lot of returning and new members to kick around a lil' dust and gun powder with us!

Thanks to everyone who has supported the club through participating in our matches and other events. Your hard work keeps these ol' wagonwheels rollin'!

Happy New Year and we hope 2007 is a healthy and prosperous one for y'all!

Happy Shootin'!
