SASH GAZETTE

Single Action Shootists Hawaii

"GIT 'ER DONE" - finally!

Turkey-induced slumber energizes the slow-poke secretary, and got the Gazette goin' again!

Howdy folks - its been a loooong few months since our last Gazette, and we've got a lot to cover since the end of summer! So we've put together an extra special Gazette to git y'all updated on the past and future events for our club.

July-Hunting & Fishing Weekend

Our club was able to raise over \$1000 for the Hawaii Food Bank this year! We pulled in over 500 tickets each day - almost double the total tickets collected by some of the other clubs. Thanks to the support of our members, the Department of Land and Natural Resources and the Hawaii Food Bank had a very successful event. We hope everyone who volunteered had a good time showing the public what cowboy action shooting is all about!

New Storage & Meeting Area

Club President, Phil "Branded Buck" has been working to put together a detailed proposal for a new storage and meeting area for the past few months. This will be submitted to Mike Muramoto (KHSC Manager) and the Director of Parks & Recreation. We hope to be able to bring in 1-2 large containers to be placed to the back of our shooting area. We are also proposing to build a covered meeting area connected to the storage container... we are hoping to have these plans

Black Powder Enthusiasts - Paul "Kid Limerick" MacKeeby (left) and Robert "Bloody Bill" Hogue talk shop before the start of the match.

approved - we'll keep y'all updated as to if/when it does, and what our next step will be.

2007 State Single Action Shooting

We are hoping to secure a weekend during the summer to hold a State Championship Match for Cowboy Shooting. It has been a while since one has been held, so we figured it's a good a time as any to do it!

We're proposing a 10-stage, 2-day shoot with possible side matches to boot! And hope to welcome shooters from the neighbor islands and beyond to join us in this SASS sanctioned event.

More details to follow as soon as we get the dates secured.

Are You Interested in Becoming An Official Range Officer for SASH?

We're looking for people who are interested in taking a Range Operations Basic Safety Course Level I course. This class is tentatively scheduled to preceed our annual party, on Saturday, January 13, 2007, and will be a great way to brush up on all areas of Single Action Shooting.

If you are interested in attending, please notify Shar "Ms Fyre" Andreshak - so we are able to get a head-count for materials/supplies for the class. More details regarding this will be published in the next Gazette. Should you have any questions regarding this, please contact Phil "Branded Buck" at 361-5651 (pgr).

Charlie "Stone Deaf" Maurer show's off his woodworking skills - he made new rifle racks for our display at the Semi-Annual Gun Show.

This is what happens when Spencer "Singing Bear" Chun tries to "fix" his pistol... he was able to "engage" the targets verbally: "BANG...ding! BANG...ding!"...sorry Spence, those are still considered misses...

Above: David "Kama'aina Kid" Rapalee takes aim while Mike "Wyatt" Wee and Phil "Branded Buck" Rapoza look on.

Below: Lyle "Small Paw" Fleck (left) gives some pointers to new member Ian Wilson (right) before engaging targets on Stage 1.
