Set-up for our area will be at 8:00 am on Saturday, June 23rd. The range will be open to the public to shoot at 9:30a – 4:00p on both days. We do need pistol ammo donations – box of 50 rounds = comp'd match fees (for the next match). This is the perfect time to sign up new members, and also to introduce our sport to some new folks – so tell your friends/family to come out and check out this event!

Our club provides overnight security for the event – should you want to have a camp-out under the stars, please feel free to stay and help with security (you will need to provide your own amenities for the night (car, cot, tent – whatever you're comfortable in). Saturday dinner is done as a BYOM (bring your own meat) potluck. Grill master, Branded Buck will have it cooked over an open flame to your liking. Everything else is usually done potluck style. Sunday breakfast is usually around 7:00-7:30 am.

For more info about the event, please contact the board members: board@sashgunclub.com. Or Call Phil "Branded Buck" Rapoza 227-1006 or Hope to see you there!!
